1. OUR ORGANISATION

1.1 WHO ARE WE?

The Cairns Convention Centre is a Queensland Government owned facility designed to attract major national and international conferences. The local community also enjoy the concerts, exhibitions, gala dinners and sporting events that the Centre attracts. The Centre is managed by ASM Global (Cairns) Pty Ltd which is part of Asia Pacific's leading venue management company. From its Asia Pacific headquarters in Brisbane, Australia, ASM Global operates a network of venues that includes convention & exhibition centres in Brisbane, Cairns, Darwin, Newcastle, Sydney, Christchurch (opening 2021), Kuala Lumpur and Shenzhen; Suncorp Stadium in Brisbane, Kai Tak Sports Park in Hong Kong (opening 2023) and interests in major stadia in Sydney, Parramatta and Perth; and entertainment arenas and performance theatres in Brisbane (4), Darwin, Newcastle, Perth, Sydney (4), Bangkok (Em Live Theatre and Bangkok Arena both opening in 2023), Dubai, Hong Kong and Kuala Lumpur.

As the manager, ASM Global (Cairns) Pty Ltd is responsible for marketing the Cairns Convention Centre and successfully operating the venue on a daily basis. Each employee is an integral part of the management process and through working together as a team we will provide our guests with a thoroughly professional and enjoyable experience.

1.2 CENTRE PROFILE

The Cairns Convention Centre is an award- winning venue located on the shores of the Great Barrier Reef. With a total of 43,000sqm of event space the Cairns Convention Centre has multiple options for events, including a 2,330-tiered seat auditorium and multiple meeting rooms, perfect for conferences, a 5,000-seat arena that is ideal for sporting events, concerts, art exhibitions and large gala dinners. The Centre is currently undergoing an expansion, with new spaces available in early 2023, including a 410pax plenary, a ballroom that can host 500 people and an outdoor terrace overlooking the Trinity Outlet.

Features of the building include:

- 1720sqm Auditorium can accommodate up to 2,300 people theatre style and 1,300 people for a banquet. It can be divided into four sections catering for a range of configurations.
- Arena is a multi-purpose entertainment and exhibition hall catering for up to 5,000 delegates.
- 16 additional meeting rooms with seating capacity ranging from 10 to 360 people.
- The City Terrace is available for outdoor functions and events.
- Full audio-visual technology featuring wireless capabilities throughout the Centre.

The Centre has been designed with unique environmental features including the following:

- Rain water channelled from the pleated plated roof during tropical downpours will be held in storage tanks and provide 50% of the Centre's grounds and garden watering needs.
- Water flow restrictors will save between 25% and 30% of the total water needs of the Centre.

- Solar hot water will provide between 30% and 35% of the Centre's hot water needs, producing a significant saving on electricity usage and costs.

- Air-conditioning machines which do not use chlorofluorocarbons (CFCs) have been installed to protect the ozone layer.

2. YOUR PRESENTATION/BENEFITS

2.1 UNIFORM & CHANGE FACILITIES

We are all on show to the 'world' therefore we must present ourselves in a way that will always create a positive and favourable impression to our clients and guests. To maintain a high level of presentation, we ask you to follow these common-sense guidelines.

Uniforms – Casual Employees/Agency Staff

Uniforms are provided for casual employees and agency staff except for black trousers and footwear. Uniforms are signed out at the commencement of their shift and placed in the appropriate laundry bag at the end of shift.

- Uniforms must be worn in full and kept neat and tidy at all times
- Allow enough time to change into your uniform prior to commencing your shift
- Inform the Uniform Attendant if buttons are missing, hems are down or there are any stains or marks that may need special laundering attention
- Uniforms are the property of the Cairns Convention Centre and must remain on site at the completion of the shift
- The use of any photographic equipment in locker rooms is strictly prohibited

Change & Shower Facilities

Change and shower facilities (towels not provided) are available in the Team Member Room. These areas are to be kept clean and tidy at all times.

Standards & Hygiene

All staff are to maintain a high standard of personal hygiene:

- Shower regularly and using deodorant/perfume
- Fresh breath
- Wash hands regularly
- Clean and well-manicured nails. Nail polish to be kept to nude colours
- Cover any cuts, sores and abrasions
- Clean Shaven or if facial hair, it must be kept clean and tidy
- Hair – if longer than shoulder length must be tied back or worn up in a simple style. Hair clips/ties must be kept simple to match the uniform
- Makeup – natural colours to complement grooming and uniform
- Jewellery - one set of studs or small loop earrings that complement the uniform. Watches may be worn providing they are not large, wild designs and excessively bright colours. Subtle rings to be worn on one finger on each hand. No nose or facial rings or piercings are to be worn whilst on duty

- Tattoos/Piercings – no visible body rings, piercings or studs. Tattoos must be covered, if offensive, by a skin tone bandage. Team member must provide their own bandage

Footwear

Female	Male
Front of House closed in flat or low-heeled black court shoe	**Front of House** closed in black leather lace-up or slip-on shoe
Back of House closed in flat rubber sole slip on or lace up flat shoe	**Back of House** closed in black leather lace up, rubber soled (non-marking) runner

2.2 LOCKERS

Lockers are provided for the storage of personal belongings. A key can be obtained at the commencement of shift from the Uniform Attendant and returned at the completion of the shift. Keys must be signed out and returned in the slot located in uniforms at end of shift.

General Points

- Each employee is responsible for the cleanliness of their locker.
- It is not recommended that valuable items and large amounts of cash be brought on to the premises.
- The Cairns Convention Centre does not accept any responsibility for personal items lost or misplaced.

2.3 STAFF ROOM

The Staff Room provides a comfortable place to relax during your meal break. Tea and coffee are provided free of charge. Cold drinks and snacks are provided to be purchase from a vending machine. The staff room is also equipped with a microwave, sandwich press and Nespresso coffee machine (capsules not provided).

Please consult your Leader for break times and meal arrangements when applicable. There is no food available, staff are welcome to provide their own meals, and these may be kept in the refrigerator in the Staff Room.

For the comfort of other staff please ensure the area is kept clean and tidy and remember smoking is only permitted in the designated area outside the Staff Room and never in public view.

2.4 CAR PARKING

The Cairns Convention Centre operates a public car park. Car parking is at the employee's risk and cost. For certain events the car park will not be available to staff. The car park is not available to the public or casual staff for Cairns Taipans Basketball games.

3. YOUR EMPLOYMENT

3.1 BREAKS

Meal Breaks Agency staff who work more than 5 hours will be rostered to take an unpaid meal break (minimum 30 minutes – food not provided) at a mutually convenient time.

Rest Pauses All agency staff are entitled to a 10 minute rest pause in the first four hours of work and second four hours of work. This will be taken at a time mutually convenient to both staff and the manager.

Rest Rooms Staff are to use Rest Rooms located in the Staff Change Rooms. Staff are not to use public Rest Rooms whilst on duty or during breaks.

3.2 MEALS

A microwave, sandwich press and refrigerator are available for staff who bring their own meals. Complimentary tea and coffee are provided, and a vending drink machine is also available. In addition, a Nespresso coffee machine is provided, team members to bring their own capsules.

Points to remember:

- Food or beverage is only to be consumed during rostered meal breaks and never in public view - the image we convey to our clients is very important.
- Keep the Staff Room clean and tidy at all times - consider your fellow team members.
- Food is to be consumed only in the Staff Room.
- No meals are provided to staff.

4. YOUR WORKPLACE

4.1 SMOKING

In accordance with State Government legislation and for the comfort of guests and staff, the Cairns Convention Centre is a non-smoking facility. There is no designated smoking area onsite therefore Guests and Staff are to go offsite. Smoking is only permitted during authorised breaks.

4.2 ALCOHOL & DRUG ABUSE

Alcohol is not to be consumed on the premises unless authorised by your Leader. Any agency staff member arriving for work under the influence of alcohol or illegal drugs will not be permitted to commence work and will be sent away and reported to the Agency concerned.

4.3 STAFF ENTRANCE

For security reasons, we must know who is in the premises at all times. Please enter and exit the building through the Security Access gates on Sheridan Street.

4.4 FINISHING SHIFT & LEAVING THE BUILDING

All staff members will leave the premises within 30 minutes of finishing a shift. If for any reason you need to stay longer, you must obtain authorisation from your Leader.

4.5 REMOVAL OF CENTRE PROPERTY

No Cairns Convention Centre property or equipment shall be removed from the premises.

4.6 LOST & FOUND

If in the course of your duties you come across a lost, mislaid or forgotten article including alcohol, hand it in to Security who will ensure that it is recorded in the Lost and Found Register and stored appropriately. Please ensure you pass on all relevant details relating to your discovery of the item.

4.7 PERSONAL PROPERTY

Your belongings are your property. The Cairns Convention Centre cannot be held responsible for any personal effects that go missing. Please keep everything locked securely in your locker and we recommend that you do not bring valuable items or large sums of cash to work with you.

4.8 TELEPHONE CALLS

Personal calls, including calls to and from mobile phones, are to be made during breaks or before or after work.

Mobile phones are not to be taken on the floor, unless in an emergency with prior approval granted by Management.

Personal calls should not be made to you unless it is an emergency. Any messages received for you will be passed on as soon as possible.

4.9 MEDIA

You are not permitted to talk to the media on matters relating to the operation of the Cairns Convention Centre. Should you be asked by a media representative to comment on any matter, the request must be referred to the General Manager. The only employee permitted to talk to the media is the General Manager.

Agency staff and contractors are not permitted to post any content on social media identifying or relating to Cairns Convention Centre, ASM Global, its venues, its events, or its stakeholders.

4.10 CONFIDENTIALITY

During your work, staff may have access to confidential information regarding our company and our clients. Please ensure that you do not divulge any such information other than in the performance of your duties (if you are unsure about what is considered confidential, see your Leader).

Breaches of confidentiality will result in disciplinary action.

4.11 GRATUITIES

Clients and customers of the Centre are not normally expected to offer gratuities to employees. In the event of a gratuity being offered to you, accept it graciously and do not communicate it openly to other staff. Any employee or agency staff member found soliciting for gratuities will face disciplinary action.

4.12 ARTISTS / PERMERS

Artist/Performers are not to be approached by staff. Any staff member found soliciting for autographs or photos will face disciplinary action.

5. COMMUNICATION

5.1 STAFF BRIEFINGS

Staff briefings will be conducted at the commencement of your shift by your Leader to keep you informed about the operational aspect of your job. This will include work schedules and tasks, guest needs for events, and activities happening in the Centre and any relevant safety advise.

6. WORKPLACE HEALTH & SAFETY

It is our goal to achieve the highest standards of workplace health and safety at all times with the goal of preventing work related accidents, injuries and illness.

All employees are responsible for adhering to all fire, health and safety regulations and instructions. Employees must not wilfully or recklessly interfere with or misuse anything provided for workplace health and safety or place at risk the workplace health and safety of themselves or any other person at the workplace. Unsafe conditions and defective equipment are to be reported immediately to your Leader. All accidents are to be reported immediately.

6.1 WORKPLACE HEALTH & SAFETY PRACTICES

Follow the work practices below and you will contribute to the health and safety of our environment.

- Walk... Don't run.
- Do not leave equipment lying around - store it correctly.
- Use proper lifting techniques when carrying goods. If it is too heavy ask for help.
- Use trolleys to carry heavy items... don't over load... make a second trip.
- Report any unsafe equipment or work conditions immediately.
- Follow the correct procedures for using equipment, tools and chemicals.
- Do not use equipment you have not been trained to use.
- Wear protective clothing where applicable.

Use Common Sense. Beware of unsafe work conditions and take immediate action to correct them or notify your Supervisor.

- Blocked aisles, fire exits, and corridors.
- Tripping hazards such as hoses, cables and pipes.
- Poorly lit areas.
- Machinery or equipment not being used correctly.
- Machines and equipment left on and unattended.
- Leaks of water, oil or other liquids.
- Evidence of smoking in a non-smoking area.
- Dangerously stacked supplies and equipment.

6.2 HIGH VISIBILITY CLOTHING

It is a mandatory requirement that all venue staff, agency staff, contractors, exhibitors and organiser staff wear high visibility shirts or vests meeting AS/NZS 4602 to minimise risks associated with plant and vehicle movement within the Centre and its loading docks during bump in and bump out of events.

High visibility clothing must be worn at all times during bump in and out in the following areas:

- inside the exhibition halls;
- on the Centre's Loading Docks.

Anyone not wearing high visibility shirts/clothing will be asked to leave the room and will not be permitted in bump in/out areas or the Loading Dock until such time as they are wearing the correct clothing. You will be supplied with the appropriate high visibility clothing as part of your uniform.

6.3 SECURITY

All employees, including agency staff, are asked to work with our contract security company to ensure the building and its property is protected from misuse or theft. This includes:

- Not removing property from the Centre without authorisation.
- Keeping personal belongings in the lockers provided.
- Do not bring valuables or large sums of money to work.
- Ensuring that cash is not left unattended.
- Reporting any suspicious behaviour.
- Following evacuation procedures in a prompt, calm and orderly manner.
- Wearing your staff identification while on duty.
- Staff members are not expected to put themselves at risk.

Situations that arise should be immediately reported to Safety Coordinator or your Leader in his absence.

6.4 FIRST AID

First aid kits are available throughout the Centre.

6.5 FIRE & EVACUATION PROCEDURES

All new agency staff are given the following safety information by their leaders on duty:

- Fire exits
- Warning alarm
- Evacuation Alarm
- Assembly point

Digital Radio Channels are:

- Channel 1 Production
- Channel 2 Events
- Channel 3 Ushers
- **Channel 5 Facilities** **All staff turn to Channel 5 during an Emergency**

Other Key Contact Numbers are:

- Duty Manager 0419 790 712
- Event Manager 4042 4231
- Culinary Services Supervisor 4042 4247
- Culinary Services Supervisor 4042 4244
- Venue Presentation Supervisor 4042 4245
- Human Resources 4042 4203

6.6 AV ROOM – MEZZANINE LEVEL GRAFTON STREET

This AV Room contains an antenna system for telecommunication services where radiofrequency electromagnetic radiation emissions may be present. Independent testing has confirmed the output is well below Government regulations for the installation, however people with Bio-medical devices such as a pacemaker could potentially be affected within the room or immediately next to one of the antennas.

There are details of the system on the Radio Frequency National Site at this website address https://www.rfnsa.com.au/4870048.

For further information please speak to your supervisor or the Facilities Management Director.

6.7 PROCEDURE FOR USED SYRINGES

Any staff member or contractor on site at the Cairns Convention Centre has a legal and moral responsibility to ensure the correct disposal of these items (as outlined by Queensland Government Workplace Health & Safety).

If for whatever reason the staff member or contractor is not confident in the safe removal, a Workplace Health & Safety Officer must be notified. Please supply the following information:

- Location
- Item
- Any Safety Issues

Procedure

In the event that a needle/syringe is located, the following equipment is required for safe removal:
- Forceps
- Disposable Gloves
- Disposable Sharps Containers

These items can be found in the following areas:
- First Aid Room (Sheridan Street Foyer)
- All First Aid Kits (Located in all serveries)
- First Aid Room (behind Box Office)

Removing Needle/Syringe

1. Do not attempt to handle the syringe with the hand.
2. Place the sharps container on level ground (open).
3. Place glove on your non-dominant hand (this hand is not to be used for any other purpose).
4. Pick up forceps with the dominant hand.
5. Pick up needle/syringe with the flanged end of the forceps.
6. Carefully place the syringe into the container (do not force it in) needle end first.
7. Seal the container.
8. Dispose of the container in the contaminated waste bins located in both First Aid rooms.
9. Notify your manager.

6.8 NEEDLE STICK INJURY OR BODY FLUID ACCIDENTS PROCEDURE

Any person who sustains a needle stick injury or body fluid exposure is at risk of accruing a blood born disease particularly Hepatitis B, C & HIV.

Should any needle stick or other penetrating injury or significant body fluid exposure to cuts, abrasions, eyes or mouth occur, the following steps should be followed:

Step 1
- Wash injury thoroughly with soap and running water.
- Squeeze site to encourage bleeding. If eyes are involved, bath eyes in copious amounts of saline or water.
- Wipe around area with antiseptic.
- Wipe and cover with a protective strip.

Step 2
- Notify your manager as medical treatment and blood tests will be required.

Step 3
- Complete Incident Report Form.

Step 4
- The recipient should be advised to obtain appropriate follow-up counselling with their own doctor or with a health service provider.

Step 5
- Follow-up testing 3, 6 and 12 month intervals.

6.9 DISABLED FACILITIES

The Cairns Convention Centre purpose-built design also includes special features to assist with disabled patrons. These include:

- Toilet facilities
- Drinking fountains
- First Aid Rooms with additional wheelchairs available
- Lift access to all levels
- Ramp access
- Ground contours
- Braille signage on lift panels
